Art Horizons Summer Art Camps 2017 Camp Schedule  
Art Horizons Summer Art Camps offer quality art instruction to children entering grades 1-8 in a relaxed studio atmosphere, creating high-quality projects. Drawing, painting, printmaking, and sculpture are all taught in a variety of media. Artists of all levels are welcomed, from beginner to more advanced students. Since the class size averages 10 students, there is a lot of one-on-one time to allow the student to work at his or her own pace and to go beyond the daily projects if he or she chooses to do so.

Each Art Horizons camp session runs Monday-Friday, 9:30 a.m. – 12:00 noon. The cost for each session is \$150.00 which includes all materials, including the framing of one artwork. There is a \$15.00 family discount.

Art Horizons camps are taught at Studio in The Glen which is in Brookeville, MD. The studio is “nestled in the woods with wildlife abound” next to 250 acres of the Hawlings River State Park. A stream which leads to an 8 acre pond is a wonderful setting for nature walks and lots of creativity!

Stephanie Rico, the founder of Art Horizons, is an elementary art teacher who has been teaching art for more than 25 years. Her work can be seen in public places such as The National Museum for Women in the Arts, The National Zoo, Children’s Hospital, Strathmore Hall Arts Center, Montgomery County Office Buildings, and in many private collections throughout the United States. Stephanie truly believes that all children are talented and that each child holds the gift of creativity and that everyone, young and old, should take the time to discover his or her own talents. Children leave Art Horizons proud of their work and with a sense of accomplishment.
